

## Container Gardens & Plants

We love beautiful, stylish blooming containers that highlight your home. Flowers from The Country Basket Garden Centre will add joy and color to your life. For those that love to plant their own, we have a wonderful selection of the healthiest plants for you to create some beautiful combinations of color and texture. Browse through thousands of distinctive, colorful plants and make your selection.

**For those who want professional assistance, we offer 3 options:**

**1**

### **Option 1**

Bring in your favorite containers and leave them for us to custom plant whatever flowers you choose. These will be professionally designed and planted and grown to perfection before picking them up or having them delivered.

**2**

### **Option 2**

Browse through our great selection of pre-planted masterpieces and choose some to take home with you. We have dozens of named combinations that are artfully designed.

**3**

### **Option 3**

Come in and any of our helpful staff will assist you to select some tasteful combinations of pots and plants.
