

POTTING SOIL MIX

PRODUCT OVERVIEW

Pure Life Potting Mix is a ready-to-use, lightweight blend designed specifically for indoor and potted plants. With a perfect balance of aeration, drainage, and organic nutrients, it gives your plants a healthy foundation without the mess or guesswork. Whether you're growing houseplants, herbs, or flowers, this mix supports strong roots and vibrant foliage.

KEY BENEFITS

- **Promotes Strong Root Development**
Light, airy texture encourages healthy root growth and reduces transplant shock.
- **Excellent Drainage & Aeration**
Perlite & peat moss prevent compaction & reduce the risk of root rot while retaining moisture.
- **Slow-Release Nutrition**
Organic materials break down gradually, feeding plants over time and reducing the need for frequent fertilization.
